STUPID MAN

Look, I wanted one last time. You're amazing in bed. PSYCHO chicks always are. And men will keep dating you because you're so hot and such a great lay until they can't deal with your CRAZY SHIT anymore! I just didn't see that till after I screwed up and married you. Jessica isn't going to degrade me in public, doesn't flake out half the time, and can just be my friend. You know Jessica... your hairdresser? We're together now. That's right. We're in love. Don't worry, though. Over the next two weeks, you're going to be getting a lot of phone calls from men who think I'm an idiot for leaving you. Take your pick. See how long they last. You will never have a successful relationship with a man.
